SUBJECT:	Frocurement of Communist Bloc Equipment
1. Confi	rming conversations with of your staff, it
requested that	a standard Roll Film Scanning Stereoviewer made
be prod	cured for evaluation by NPIC.
2. This	equipment was displayed at the International Society of
Photogrammetry	meeting held recently in Lisbon, end it is believed to
possess charact	teristics which would be very useful in the development ent for MPIC. It is understood that the cost delivered
	tes is approximately
o mela -	with her hear shiftman a made to MOTE Assessed 5155 14500
	sum has been obligated against NPIC Account 5155-4100, and in the Summary Obligation Report submitted by this
office. Paymer	nt for the equipment should be costed to Account 5155-hi
	and the same of th
